This matter was opened to the New Jersey State Board of Veterinary Medical Examiners upon receipt of an application for licensure by waiver of examination pursuant to N.J.S.A. 45:16-7.2 filed by Marc Elie, V.M.D., a veterinarian licensed in Florida. Prior to its consideration of said application, the Board received information alleging that Dr. Elie was practicing veterinary medicine in the employ of a licensee without himself having a license or a temporary permit to practice in the State of New Jersey. The Board having heard testimony of the licensee by whom he was employed that he had represented to Dr. Elie that he believed that said practice was not a

violation of the Veterinary Medical Practice Act, and Dr. Elie, represented by Lydia C. Stefanowicz, Esq., having admitted to the violation of the Act and having acknowledged his own ultimate responsibility in this matter, and the Board having determined that the entry of this Consent Order is in the best interests of all parties, and other good cause existing therefor:

IT IS HEREBY ORDERED THAT:

1. A license to practice veterinary medicine in the State of New Jersey shall be issued to Marc Elie, D.V.M., upon his satisfaction of the requirement that he take and complete the Board's examination;

2. Dr. Elie shall pay to the Board of Veterinary Medical Examiners a civil penalty of \$2,000.00 for practicing veterinary medicine without a license.
